No. 1 TIDELAND HAVEN

PLAN NO. 1375

2 bed, 2 1/2 bath
2,418 square feet

Sheltered by deep overhangs and a wraparound porch, this award-winning design is by Peachtree City, Georgia-based architecture firm Historical Concepts. The living area flows freely into the foyer, kitchen, and dining alcove. Maximizing natural light, French doors with transoms above flood the interior with sunlight.
