

40th Anniversary Chicken Coop

As featured in:
Country Living, September 2018

The coop includes:

- hinged clean-out door along long side,
- hinged roof on nesting boxes for easy egg gathering
- optional (plexiglass) windows in wall above nesting boxes provide natural light to the interior
- louvered gable vents for air circulation
- hinged chicken door for access to yard during the day and security at night
- a secure screened window with hinged shutter for increased ventilation during warm weather
- 2 roosting dowels
- large hinged access door provides access to the interior of coop
- Approximately 4'-4" x 6'-9" (not including nesting boxes) and 8' tall as drawn
